

Privacy Policy

This document describes data collected and processed by the “Job Offer Checklist” app. By using the app, user consents to the privacy policy.

Job Offer information

All information that may describe the user job offer are stored in the app’s internal storage. The information entered cannot be accessed by any other app on the phone. The only way to access the information is to use the app. For the app to achieve its purpose, the app will require you to answer some question that may give some description on your job offer. All information will disappear after closing the app or going back to home page.

The app does not use any third-party services that may collect information used to identify you.

Cookies

Cookies are files with small amount of data that are commonly used as anonymous unique identifiers. These are sent to your browser from the websites that you visit and are stored on your device’s internal memory.

This application does not use these “cookies” explicitly.

Advertising

This app may use AdMob and InMobi to provide ads. AdMob is an advertising service provided by Google. AdMob can collect and use anonymous data to customize the ads for the user.

Security

We value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, we cannot guarantee its absolute security.

Changes to This Privacy Policy

I may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes by posting the new Privacy Policy on this page. These changes are effective immediately after they are posted in this page.
